WHO WE ARE

SALMARG Infra private Limited, incorporated on June 3, 2021, is a professionally managed EPC company based in Chennai. Our regional presence spans to Bangalore.

Driven by planning and professionalism, we aim to establish a significant position in India's infrastructure sector. Sustainability lies at the heart of our growth strategy

WHAT WE BELIVE

At **SALMARG Infra**, we believe construction is more than just building structures—it's about building trust, relationships, and a better tomorrow.

We are guided by a commitment to:

Integrity in every action

Excellence in every project

Efficiency in every process

Our team is empowered to deliver high-quality construction solutions that are **on time**, **on budget**, and **built to last**. We value **innovation**, **safety**, and **sustainability** as core pillars that drive our success and set us apart in the infrastructure sector.

Client satisfaction isn't just a goal—it's our foundation.

VISION

To deliver infrastructure that enhances life and strengthens communities

MISSION

To construct safe sustainable, and high-quality projects through innovation, professionalism, and a commitment to client satisfaction.
